OPENING SEASON

The campsite is open from 1 May to 30 September. In July and August, the Information Centre is open non-stop between the hours of 8.30 am and 9 pm (detailed information about "off-season" hours is displayed in Information Centre).

1) TERMS AND CONDITIONS OF ENTRY

No one may enter, settle upon, or stay on the campsite without previous authorisation from the manager or his representative. The manager is responsible for ensuring proper upkeep and order on the campsite, as well as compliance with these rules and regulations.

Staying on the campsite implies full acceptance of, and an undertaking to comply with, the provisions set forth in these rules and regulations.

2) POLICE FORMALITIES SETTLING ON THE CAMPSITE

Any person staying at least one night on the campsite must first present his identity papers to the manager or his representative and fill out the paperwork required by the police. We do not accept minors on the campsite in the absence of their direct legal representative throughout the duration of their stay.

Pursuant to article R. 611-35 of the Code governing the entry and residence of foreigners and the right of asylum, the manager must require campers who are foreign nationals to fill out and sign an individual sheet for the police upon their arrival at the campsite. It must specifically include the following information:

- 1- Surname and first names
- 2- Date and place of birth
- 3- Nationality
- 4- Usual residence

Pitches may accommodate a maximum of 6 persons and 2 light vehicles (5 persons and 1 vehicle for bungalows).

3) INFORMATION CENTRE

Information about campsite services, where to buy provisions, sports facilities, local tourist attractions of interest, and useful addresses is available at the Information Centre. A system for receiving and handling complaints is available for campers as well.

4) FEES (CHARGES AND REGULATIONS)

Fees must be paid at the Information Centre. Fee amounts are reassessed annually and are displayed at the campsite entrance and at the Information Centre. Fees are due according to the number of nights spent on the campsite. Campers must inform the Information Centre of their departure the night before and pay their fees.

5) ARRIVAL/DEPARTURE TIMES

→ **Accommodations** (bungalows) are available starting at 4 pm. The rental period is either Saturday to Saturday or Wednesday to Wednesday. Departure paperwork and inventory will be carried out the day of departure when the reception area opens before 10 am.

→ **Pitches** are available starting at 2 pm and must be vacated before 12 pm.

In the event of a departure which is later than the specified time, an additional day will be charged.

6) NOISE AND SILENCE

It is requested that campers avoid any noise, discussions or music which could disturb their neighbours. Radios or sound devices must be turned down and must not be able to be heard beyond the perimeter of each pitch.

Please close car doors and boots as quietly as possible. Complete silence is required between the hours of 10 pm and 7 am.

7) ANIMALS

Dogs and other pets are permitted (other than in the accommodations) upon presentation of identity papers and vaccination records (rabies). They must be kept on a leash on pitches and throughout the campsite and they must never be left alone on the pitch. Also, the animal must not make any noise or create any kind of disturbance. Owners must clean up after their dogs. **Category 1 dogs or attack dogs (pitt bulls and boerbulls) must be muzzled.**

8) VISITORS

After receiving authorisation from the manager or his representative, visitors will be allowed to enter the campsite under campers' responsibility. Campers who host visitors may be required to pay a fee insofar as they have access to campsite services and/or facilities. This fee is displayed at the campsite entrance and at the Information Centre. Visitors' cars are not allowed on the campsite.

9) TRAFFIC AND PARKING

The speed limit within the campsite is 20km/h. No traffic is allowed between 10 pm and 7 am.

Only vehicles belonging to campers staying on the site are permitted on the campsite. Parking must not disturb traffic or make it difficult for campers to settle into pitches or accommodations.

10) UPKEEP AND APPEARANCE OF FACILITIES

All persons staying on the campsite must refrain from any activity which may degrade the cleanliness, hygiene, or overall appearance of the campsite and its facilities, and its sanitary facilities in particular. Campers must not dispose of waste water on the ground or in the gutters. Caravaners must dispose of their sewage in the appropriate place, located in the sanitation facilities.

Household refuse and waste of any kind must be disposed of at the waste sorting area outside the campsite.

Washing outside the specific washing sinks is strictly forbidden.

Laundry must be hung out in a discreet manner so as not to disturb the neighbours.

Plants and floral decorations must be respected. Campers are not authorised to hammer nails into trees, cut branches, or plant anything on pitches. Furthermore, they are not permitted to mark off pitches by themselves in any way or to dig in the ground. Campers will be required to pay for any damage they may cause to plants, fences, or campsite fittings.

Pitches must be maintained in the same condition in which campers found them upon their arrival on the premises.

11) CAMPER VAN AREA

It is not possible to make bookings for the camper van area.

It is a "nomadic" sort of area. A single vehicle is allowed per pitch. Caravans and tents are

prohibited as are certain fittings including: exterior cooking fittings, furniture (even if it collapsible), tents adjacent to vehicles, tarps and privacy protection screens.

12) SAFETY

→ Fire

Open fires (wood, charcoal, etc.) are strictly prohibited. Stoves must be kept in safe working condition and may not be used in dangerous conditions.

In the event of a fire, notify management immediately (alarm button at Information Centre). Fire extinguishers are available for use if necessary. A first aid kit is available at the Information Centre.

→ Theft

The management assumes no liability for objects left in the recharging lockers in the reception area.

The management is responsible for general surveillance of the campsite. Night patrols are carried out to ensure campers' safety.

Campers are responsible for their individual pitches or accommodations and must notify the manager about any suspicious persons.

The campsite is not in any way accountable for camping equipment, vehicles, or any other object, nor is it responsible for personal or material accidents, except in cases where its civil liability is incurred, and for which the claimant must be able to provide formal proof.

13) GAMES

Games which are violent or disturb other campers must not be organised close to camping facilities. The game room may only be used for quiet games.

Children must be under the supervision of their parents at all times.

14) UNOCCUPIED TENTS AND CARAVANS

Unoccupied tents and caravans may only be left on the campsite with the management's approval and on the indicated pitch only. When tents and caravans are permanently left on the campsite, a fee will be charged, the amount of which is displayed in the Information Centre. For bookings, the reserved spaces must be paid in full for the reserved period of time, even in the event of

late arrival or early departure, whether decided by the client or the management or their representative.

15) INFORMATION

These rules and regulations are displayed at the campsite entrance and at the Information Centre. A copy may be given to campers upon request.

16) INFRINGEMENT TO THESE RULES AND REGULATIONS

If an individual disturbs other campers or fails to comply with the provisions set forth by these rules and regulations, the manager or his representative may give the offending party formal notice, either orally or in writing if necessary, requesting that he stop the disturbing behaviour. In the event of a serious or repeated infringement to these rules and regulations, and after receiving formal notice from the manager or his representative requesting compliance, the manager has the right to cancel the contract.

In the event of a criminal offence, the manager may call the police.
